HUMBOLDT PARK HEALTH

Humboldt Park Health is proud to announce the opening of its new MRI Suite, featuring state-of-the-art Siemens Altea 1.5 Tesla Magnetic Resonance Imaging (MRI) technology. Among other features, the new MRI technology offers a faster and more efficient exam, producing high resolution results to the physician in 24 hours. MRI tests are performed by highly skilled technologists in a newly renovated environment. For the comfort of all patients, MRI accommodates diverse patients up to 550 lbs., in-bore. Consistent results are delivered with high resolution images read by our Board Certified Radiologists. Our Radiologists and Technologists will help the patient achieve the best image possible. As technology advances, Humboldt Park Health acquires and maintains advanced diagnostic imaging equipment, such as the Siemens Altea 1.5 Tesla MRI. This is our commitment to the community.

- Hours of operation: Monday - Friday 7 am - 6 pm, Saturday 7 am - 3 pm
- Free parking near the main entrance
